

Candidate & Elected Official Pledge

To support limits on the undue influence of money in elections and government

I support amending the United States Constitution to guard against corruption and protect liberty, federalism, and the equal rights of free speech by limiting the undue influence of money in elections and government.

I pledge to use my office to advance a Constitutional Amendment addressing the above issues through passage and ratification in effective ways such as sponsoring or cosponsoring bills, resolutions, or other legislation advancing proposal or ratification of this Amendment; voting in favor of such bills and resolutions in committee, subcommittee, or floor votes; and publicly advocating for the necessity of this Amendment.
