INDEPENDENT AUDITORS' REPORT

To the Board of Directors American Promise Education Fund, Inc. Concord, Massachusetts

Opinion

We have audited the accompanying financial statements of American Promise Education Fund, Inc. (a Massachusetts nonprofit organization), which comprise the statements of financial position as of December 31, 2022 and 2021, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of American Promise Education Fund, Inc. as of December 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of American Promise Education Fund, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about American Promise Education Fund, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Board of Directors
American Promise Education Fund, Inc.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of American Promise Education Fund, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about American Promise Education Fund, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 ORGANIZATION AND AFFILIATIONS

American Promise Education Fund, Inc., (the "Education Fund", "APEF" or the "Organization") was incorporated on July 10, 2015 under Massachusetts General Laws Chapter 180 and qualifies as a tax-exempt, nonprofit corporation under Section 501(c)(3) of the Internal Revenue Code ("IRC"). American Promise Education Fund, Inc. has been classified as an organization which is not a private foundation under IRC Section 509(a); accordingly, contributions made to this Organization qualify for the maximum charitable deduction for federal income tax purposes.

Affiliations:

American Promise, Inc. ("API") was incorporated on July 13, 2015 as a Massachusetts nonprofit corporation organized to promote social welfare within the meaning of IRC Section 501(c)(4), including but not limited to, promoting ideas and solutions, including one or more Constitutional amendments, to secure and advance Constitutional rights of human beings and equal representation and responsibility of citizens in effective self-government and democracy.

While closely connected, the Organizations operate independently, and since neither Organization controls the other, consolidated financial statements are not presented. As disclosed in Note 6, the Organizations have entered into a cost-sharing agreement.

NOTE 2 PROGRAM SERVICES

American Promise Education Fund, Inc. educates, empowers, and inspires Americans about the essential role of citizen-led Constitutional amendments in shaping our republican democracy and how the For Our Freedom Amendment to address the undue influence of money, corporations, unions and superPACs in our political process can secure the rights of individual citizens and the interests of the nation for generations to come.

In collaboration with American Promise, Inc., American Promise Education Fund, Inc. focuses its civic education programs in four areas:

National Citizen Leadership Conferences:

American Promise's National Citizen Leadership Conference (NCLC), held annually in Washington, D.C., convenes more than 300 citizen leaders from all 50 states, business leaders, youth delegations, topic experts, democracy reform organizations, Republican and Democratic members of Congress, and leaders from every major organization working on the For Our Freedom Amendment. Through keynote addresses, expert panels, workshops, and networking opportunities, NCLC offers attendees the chance to share knowledge, lessons, strategies and new skills to strengthen civic courage and improve collaboration.

NOTE 2 (Continued)

Writing the 28th Amendment Program:

American Promise's Writing The 28th Amendment program serves to educate on, stimulate conversations about, and vet key principles for establishing a sound Constitutional foundation for democracy reform. The program brings cross-partisan citizen volunteers together with Constitutional and legal experts to better explain and understand these principles. Through a series of events - such as town-hall style forums across the country and other in-person and online civic experiences - citizens learn about key principles from a variety of perspectives, the potential impacts of incorporating principles into a Constitutional amendment, and then contribute their thoughts on the foundational issues that matter to them.

Citizen Empowerment:

American Promise's empowerment programming focuses on collaborating with partner organizations and community groups in locales across the nation, to bring together citizens of all backgrounds to learn about the principles of democracy, the impact of money in politics on a range of issues, and the role of citizen-led Constitutional amendments in shaping our republican democracy to the people's will. The empowerment programming provides trainings, resources, and convenings for citizen leaders to grow their civic engagement through starting or joining a local American Promise Chapter or joining an American Promise National Network or Team. With ongoing support from American Promise staff, members of chapters and networks connect with and educate their communities and peers about the issues and the amendment solution.

Action Center:

American Promise's Action Center is a one-stop interactive website for citizens, media, organizations, legislators and staff for education, resources, events, legislative developments, citizen story-telling, news, opinion pieces and more about the background and progress of the For Our Freedom Amendment.

Keep the Promise Campaign:

At the end of 2020, the Organization completed Phase 1 of its 3 Phase strategic plan. The Organization built the foundation, including the strategy, organizational structure, leadership team, programming, and citizen participation that set the stage for rapidly building and expanding the skills and engagement of Americans as the Organization moved into Phase 2.

In 2022, the second year of Phase 2, APEF continued to build capacity in its Programs and Communications departments, to replicate its chapter model, engage a growing network of business leaders, and implement initiatives designed to amplify the voices of the next generation and serve as a leader in the reform movement through partnerships, convenings and its National Citizen Leadership Conference. Ultimately these programs translate into citizens who, with training, communication resources and connectivity to a broad reform community, can engage effectively in their democracy and have a voice in the future direction and renewal of this nation.

NOTE 3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements of the American Promise Education Fund, Inc. have been prepared on the accrual basis of accounting and accordingly, reflect all significant receivables, payables and other liabilities.

Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates; however, adherence to generally accepted accounting principles, has in management's opinion, resulted in reliable and consistent financial reporting by the Organization.

Financial Statement Presentation:

The Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. These classifications are related to the existence or absence of donor-imposed restrictions as defined below.

Net Assets Without Donor Restrictions - Net assets without donor restrictions are resources available to support operations and not subject to donor restrictions. In addition, net assets within this classification include funds which represent resources designated by the Board of Directors for specific purposes.

Net Assets With Donor Restrictions - Some restrictions are temporary in nature, such as those that are restricted by a donor for use for a particular purpose or in a particular future period. Other restrictions may be perpetual in nature, such as those that are restricted by a donor that the resources be maintained in perpetuity. As of December 31, 2022 and 2021, the Organization has no net assets that are required to be maintained in perpetuity. The Organization's unspent contributions are reported in net assets with donor restrictions if the donor limited their use, as are promised contributions that are not yet due. Contributions of property and equipment or cash restricted to acquisition of property and equipment are reported as net assets with donor restrictions if the donor has restricted the use of the property or equipment to a particular program. These restrictions expire when the assets are placed in service.

Contributions, Pledges and Grants Receivable:

Contributions, Pledges and Grants Receivable reflects the balances due on unconditional multi-year promises to give. Receivables are classified as current if they are scheduled for payment within one year, and non-current when the expected payment date exceeds one year. Promises to give with expected payment dates that extend beyond one year are discounted to their present value when such amounts are considered material.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

(Continued)

NOTE 3 (Continued)

Amounts receivable from donors are evaluated yearly for collectability and an allowance for uncollectible pledges is recorded as necessary. Management believes that all receivables are collectible; therefore, no allowance for doubtful amounts has been established.

Gifts, Grants and Contributions:

The Organization is the beneficiary of contributions in the form of grants from other organizations, governmental agencies, donations of cash and financial assets from individuals and contributions of nonfinancial assets. Contributions, including promises to give, without donor conditions are recognized as revenue at their estimated fair value at the date of donation and classified as either with or without donor restrictions depending on the donor's stipulations or lack thereof. Unconditional, multi-year commitments are recognized in the year during which the initial commitment is made at the amount that the Organization reasonably expects to collect.

Conditional donations are those that have a measurable performance or other barrier and include a right of return of the assets or right of release of the donor from further obligation if the conditions are not met. Conditional donations are not recognized until the associated barriers are met. Any cash received before the conditions or barriers are met is reported as a refundable grant advance. When the conditions are met the revenue is reported as contributions without donor restrictions unless there are further restrictions over and above those associated with the donor conditions.

APEF received two Paycheck Protections Loans ("PPP") which were accounted for as conditional grants as permitted by the accounting guidance. Both loans were forgiven in full and recognized as grant income for the year ended December 31, 2021.

Donations of Nonfinancial Assets:

Contributed nonfinancial assets may include professional services, staff roles performed by volunteers and other non-cash donations, which are recorded at the respective fair value of the services received. Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. All such in-kind donations are without donor restrictions and APEF does not monetize its donations of nonfinancial assets.

Functional Expenses:

The Organization allocates its expenses on a functional basis among various programs and support services. Expenses that are common to several functions are allocated using space and time usage formulas. In the accompanying Statement of Functional Expenses, *Salaries and Wages, Payroll Taxes, Donated Services, Occupancy* and certain professional services and consulting fees have been allocated based upon management's estimates of time usage by functional category.

Supporting services are those related to operating and managing the Organization and its programs on a day-to-day basis. Supporting services have been sub-classified as follows:

Administrative - includes all activities related to the Organization's internal management and accounting for program services.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

(Continued)

NOTE 3 (Continued)

Fund Raising - includes all activities related to maintaining contributor information, writing grant proposals, direct mail solicitation, distribution of materials and other similar projects related to the procurement of funds.

Tax Position:

The Organization currently evaluates all tax positions and makes a determination regarding the likelihood of those positions being upheld under review. The primary tax positions made by the Organization are the nonexistence of Unrelated Business Income Tax and the Organization's status as a tax-exempt organization under IRC Section 501(c)(3). For the years presented, the Organization has not recognized any tax benefits or loss contingencies for uncertain tax positions based on this evaluation.

Recent Accounting Guidance:

Recently Implemented Standards

Effective January 1, 2022, the Organization adopted ASU 2020-07 *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. This ASU increases transparency in reporting nonprofit gifts-in-kind in the Organization's financial statements. Although the standard did not change the accounting for contributed nonfinancial assets, the Organization's disclosures have been enhanced to provide qualitative policy information on the techniques and inputs used to determine the valuation of nonfinancial donations.

NOTE 4 CONTRIBUTIONS, PLEDGES AND GRANTS RECEIVABLE

As of December 31, 2022 and 2021, the aggregate balance due on unconditional promises to give and grant commitments amounted to \$736,898 and \$1,410,547, respectively, of which amount \$451,898 and \$744,547 was classified as current with payment expected within the upcoming year. The non-current portions of these commitments are discounted to present value using an effective rate of 2%, presented net of the unamortized discount and due in subsequent years as presented below.

Total	<u>\$862,103</u>	<u>\$384,806</u>

NOTE 6 COST-SHARING ARRANGEMENT

Office space, staff, consultants, information technology and certain other expenditures of APEF are shared with API. In addition, the two Organizations co-host the *National Citizen Leadership Conference*. Accordingly, the two Organizations have a cost-sharing agreement. Pursuant to the agreement, APEF pays its proportionate share of the office lease, personnel costs and certain other shared expenses as these expenses are incurred. Payment for compensation of services which benefit both entities has been consolidated under API.

For the years ended December 31, 2022 and 2021, APEF was obligated to reimburse API \$1,677,590 and \$1,244,167, respectively, for its proportionate share of the *National Citizen Leadership Conference*, personnel costs, consultants, occupancy and operating expenses. Of the total amount, the unpaid balance of \$177,699 and \$30,546 is reported as *Due to Affiliate* in the accompanying Statements of Financial Position and such amounts were paid in full shortly following each respective year end.

NOTE 7 DONATED GOODS AND SERVICES

NOTE 7 (Continued)

For the years ended December 31, 2022 and 2021, contributed CEO salary is recognized at fair value based on the going market rate for a nonprofit Executive Director or CEO performing similar services.

Contributed professional services includes donated legal services, primarily legal writing and research, provided by a licensed attorney, donated CFO services provided by an outsourced executive, and donated management and program design consulting. These services are recognized at fair value based on current rates for similar services.

Membership Dues are recognized at fair value using current pricing rates. In 2021, APEF received an annual membership for program communication services.

NOTE 8 CONTINGENCIES

Impact of COVID-19:

In early 2020, an outbreak of a novel strain of coronavirus (COVID-19) emerged globally. As a result, events have occurred including mandates from federal, state and local authorities leading to an overall decline in economic activity which could result in a loss of grants, contributions, revenue and other material adverse effects to the Organization's financial position, change in net assets and cash flows. The Organization is not able to estimate the length of severity of this outbreak and the related financial impact. Management plans to adjust its operations accordingly and will continue to assess and monitor the situation as it evolves. If the length of the outbreak and related effected on the Organization's operations continue for an extended period of time, the Organization may have to seek alternative measures to finance its operation. There is no assurance these measures will be successful.

NOTE 9 CONCENTRATIONS

Cash Balances:

The Organization maintains several bank accounts at two institutions. All accounts are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000. Although at times the balances in these accounts may exceed the federally insured limit, the Organization has never experienced any losses and Management considers credit risk on cash to be low. As of December 31, 2022 and 2021, the Organization's balance in excess of the FDIC insured limits was \$800,183 and \$892,145, respectively.

Support and Receivables:

As of December 31, 2022, the balance due on two multi-year grants represents 80% of total *Contributions, Pledges and Grants Receivable.*

As of and for the year ended December 31, 2021, one multi-year grant represents approximately one-third of the total support, and the balance due on that commitment represents 54% of total *Contributions*, *Pledges and Grants Receivable*.

NOTE 10 RELATED PARTY TRANSACTIONS AND CONCENTRATIONS

Donated Services:

The Organization's Co-Founder and President provides CEO services on a pro bono basis, which was recognized at \$102,610 and \$107,500, based on 81% and 86% of a salaried position for the years ended December 31, 2022 and 2021, respectively.

Gifts, Grants and Contributions:

For the years ended December 31, 2022 and 2021, gifts from the Co-Founder and a number of his family members accounted for approximately 28% and 23% respectively, of *Gifts, Grants and Contributions*. Future revenue of the Organization is expected to come from many additional sources.

In late 2021, an Officer made a personal pledge of \$350,000, which was recorded as an unconditional promise to give and a contribution with donor restrictions, due to the inherent time restriction implied with the timing of future payments. Subsequently, in 2022, the gift was converted to an intention to recommend grant funding from a donor-advised fund by the same donor. To properly reflect the conversion in funding sources, APEF recorded a *Change in Donor Intention* to remove the earlier \$350,000 pledge and then record a new unrestricted gift of \$250,000 which was received from the donor-advised fund. Any future similar gifts will be recognized as contribution support when received from the donor-advised fund. The change in the donor of record resulted in a change in the timing of the revenue recognition.

NOTE 11 LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The Organization regularly monitors the availability of resources required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Organization considers all expenditures related to its ongoing activities as described in Note 2, as well as the conduct of services undertaken to support those activities to be general expenditures.

The following table reflects the Organization's financial assets as of December 31, 2022 and 2021, reduced by amounts which are not available for general expenditure within one year. Financial assets are considered unavailable when illiquid, or because the governing board or management policy has set aside the funds for a specific use, when restricted by donors for purposes more limited than general expenditures, or when not convertible to cash within one year of the Statement of Financial Position date.

	<u>2022</u>	<u>2021</u>

NOTE 11 (Continued)

As part of the Organization's liquidity management, the Board of Directors has a policy to structure the financial assets to be available as its general expenditures, liabilities, and other obligations come due. The Organization also has a policy to maintain at minimum a three-month cash supply on hand at all times.

NOTE 12 SUBSEQUENT EVENTS

Management is required to consider events subsequent to the financial statement date for potential adjustment to or disclosure in the financial statements. Therefore, Management has evaluated subsequent events through July 24, 2023, the date which the financial statements were available for issue and noted no events which met the criteria for recognition or disclosure.
